Introduction to the Philosophy of Religion - bethinking.org

This is a very solid overview and introduction to the major concepts within the broad subject of "philosophy of religion." Evans is well-informed, and provides a balanced (if somewhat conservative) discussion on topics like religious knowledge, religious experience, objections to faith, the nature of miracles, etc.

What is Philosophy of Religion

In religion, and even in religious philosophy, reasoned arguments are ultimately traced back to some basic faith in God, gods, or religious principles which have been discovered in some revelation. A separation between the sacred and the profane is something else lacking in philosophy.
