Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

### Photography 10th Edition

Photography 12th Edition is overpriced and just skims over subjects providing only the most basic information leaving you wanting for more. But more is not to be found as the authors just jump to the next subject and repeat the pattern. Many, in fact most of the book only has two pages devoted to each topic.
