Merely said, the physics cutnell and johnson 8th edition is universally compatible with any devices to read

Besides being able to read most types of ebook files, you can also use this app to get free Kindle books from the Amazon store.

Cutnell, Johnson: Physics, 8th Edition - Wiley  
I gave the solutions manual one more star than this forgetful, generic physics book (annoying to follow, BTW). Written like an eighth grade book compared to what I can get online for about \$10 to \$15 overseas. Cutnell and Johnson, WHY EVEN WRITE THIS - - you never challenge the student in a significant way. Typical illustrations.
