Crown Jewel, as well as the Texas quartet and the Captive series.

Fern Michaels - Wikipedia

This book has everything you could have in a book. Love, hate, ghosts, comedy, little bit of violence. I liked this book. Fern Michaels does a great job with this book. Jane has a hateful mother, but she finds wonderful God parents to more than even the score. Well worth the credit.

Plain Jane Fern Michaels
For me, Plain Jane by Fern Michaels fell into a hazy gray area of books that I sometimes like to refer to with such phrases as "Meh." or "Mixed-Bag". It wasn't a great book, but it wasn't horrible either.

Editions of Plain Jane by Fern Michaels - Goodreads
Plain Jane really gives a reader a beautiful tour of rural Louisiana and of course Ms. Michaels always has an array of colorful characters and their even more colorful dogs. The one thing I love about Fern Michaels stories is that the main character's

Jane realizes she needs closure and with the help of her godparents begins investigating the rape that led to Connie's suicide.

PLAIN JANE is the usual scintillating Fern Michaels tale as the story line contains a very interesting series of subplots that tie together like a string of dominoes into a main theme.
