Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

"It's a tool. It's not the answer to you forever losing weight or all the weight. You really have to practice the eating and the exercising before you have the surgery and then continue it afterwards because the surgery alone is not going to do it. You have to do all that work. It's hard. People think that you took the easy way out.
