Playing To Win
Are you just playing--or playing to win? Strategy is not complex. But it is hard. It's hard because it forces people and organizations to make specific choices about their future--something that doesn't happen in most companies. Now two of today's best-known business thinkers have put the heart of strategy--explaining what it's for, how to think about it, why you need it, and how to get it done.

Playing to Win - SlideShare
In 2013, I wrote a book called Playing to Win: How Strategy Really Works with P&G CEO A.G. Lafley, with whom I work closely, to clarify and simplify strategy to make it a powerful tool for managers. That requires having a clear definition of strategy: strategy is choice. Strategy is not a long planning document; it is a set of interrelated and ...

Playing To Win How Strategy
The title "Playing to Win" is a central theme of Lafley's approach. "Winning should be at the heart of any strategy," in fact, it would make no sense to Lafley to aspire to anything less than winning. In order to beat the competition, two key questions need to be answered. They are "how to play," and "how to win."
