On my superbill I did not include every fracture of every bone. My recommendation is to have a cheat sheet for fractures of metatarsals laminated and put in your office and at every desk in your office where staff members sit. We have this cheat sheet available and included with our Podiatry specific ICD-10 Superbill.

Podiatry Billing Services :: Sample Forms

PracticeSuite is simple to use, and has great features. As a startup practice it was challenging getting up and running. PracticeSuite has a very affordable software, and to be honest, that's why I originally went with it. As I learned the system, I didn't realize how deep functionality the EHR had.
