Polaris 360 Problems - Swimming Pool Help

Polaris Pool Cleaner Troubleshooting Tips Lots of things can go wrong with a pool cleaner, including damage from things like falling tree limbs, animals, and even the sun. Of course, these are much more likely if you leave your Polaris pool cleaner out in the open instead of storing it in a shed or garage.

Amazon.com: Polaris 360 Pool Cleaner

If the Polaris hose is tangled and doesn't seem to unwind, just add a Swivel to the hose by cutting the hose with a blade, and inserting a swivel with 2 nuts to hold it in. Make sure the arrow on the swivel is pointed towards the Polaris and don't add a swivel within 10 FT of the Polaris (otherwise it will do 360 all day). Note: Also if the Polaris wheels are not moving, more than likely the bearings are bad, very easy to change.

Why is my Polaris 360 pool cleaner floating on the top of ...

warning: use of polaris 360 in a vinyl liner pool Certain vinyl liner patterns are particularly susceptible to rapid surface wear or pattern removal caused by objects coming into contact with the vinyl surface, including pool brushes, pool toys, floats, fountains, chlorine dispensers, and automatic

Troubleshooting If the Polaris cleaner displays the following actions, adjustments may be necessary to restore performance. Refer to the exploded parts diagram for part references.

Polaris 360 Pressure Pool Cleaner | #1 Swimming Pool ...

I changed the wheels/belts just a two days ago. When I put it in the water to test it out, everything worked fine (including the back end staying on the ground and turning around/climbing walls properly~ as these were issues before as well) but when I came out to check it the morning after, it was floating on top of the water with the tail spraying water straight up in the air!

How to Troubleshoot a 380 Polaris Automatic Pool Cleaner ...

Debris Doesn't Stand a Chance. Designed to devour debris, the Polaris® Quattro™ Sport aggressively climbs walls and brushes the waterline. Powered by a booster pump, this pressure-side cleaner features an extra-large debris intake, dual-stage filtration canister and is ideal for all in-ground pool surfaces.
