The history of racialized policing. Like many scholars, Khalil Gibran Muhammad, professor of history, race, and public policy at the Harvard Kennedy School, traces the history of policing in America to "slave patrols" in the antebellum South, in which white citizens were expected to help supervise the movements of enslaved Black people. This legacy, he believes, can still be seen in ...

Policing Insight - Global progressive policing

The police are a constituted body of persons empowered by a state, with the aim to enforce the law, to ensure the safety, health and possessions of citizens, and to prevent crime and civil disorder. Their lawful powers include arrest and the use of force legitimized by the state via the monopoly on violence. The term is most commonly associated with the police forces of a sovereign state that ...
