Mississippi Honor And The

As Olsen shows in detail, the sectional controversy engaged men where they measured themselves, in public, with and against their peers, and linked their understanding of masculinity with formal politics, through which the voters actually brought about secession. Political Culture and Secession in Mississippi provides a rich new perspective on the events leading up to the Civil War and will prove an invaluable tool for understanding the central crisis in American politics.

Secession - Wikipedia

Political Culture and Secession in Mississippi examines gender and antebellum politics, and argues that the demands of masculinity and honor within state's antiparty political culture made secession possible. The non-institutional context of all political rhetoric caused Mississippi voters to condemn the Republicans' anti-Southern program as a personal insult, and linked men's understanding of masculinity with electoral politics, the actual mechanism for secession.
