A keyword search for book titles, authors, or quotes. Search by type of work published; i.e., essays, fiction, non-fiction, plays, etc. View the top books to read online as per the Read Print community. Browse the alphabetical author index. Check out the top 250 most famous authors on Read Print. For example, if you're searching for books by William Shakespeare, a simple search will turn up all his works, in a single location.

PopularWoodworking.com | Popular Woodworking Magazine ...

All of these woodworking magazines, like many other types of magazines, seem to be primarily advertisements. I think this one is the best of the bunch, but there are still a lot of advertisements. This one seems to have practical ideas compared to projects that are so far out as to be unusable for most people.
