In terms of style, the 968 had a vague resemblance to the 928. The 968 featured a new version of the straight-4 engine of the 944. Other changes included a VarioCam variable valve timing system, dual-mass flywheel, and new exhaust system. As a result of the changes, the 968 engine became the second-largest four-cylinder to ever be available in a production vehicle. Consumers could also choose a 6-speed manual transmission.
