7 Negotiation Techniques That'll Boost Your Power at the ...

This type of power, however, can be unpredictable and unstable. If you lose the title or position, your legitimate power can instantly disappear, because people were influenced by the position you held rather than by you. Also, the scope of your power is limited to situations that others believe you have a right to control.

French and Raven's Five Forms of Power - Leadership ...

If joint agency is held by two people that are already in a position of power, the partners' heightened feeling of agency directly affects those who are inferior to them. The inferiors' sense of agency will most likely decrease upon the superiors' joint control because of intimidation and solitude factors.
