### **10 Practical Steps To Let Go Of Your ... - Online Life Guide**

The Practical Life exercises prepare the child for the Sensorial Exercises of the 3-6 environment and the everyday activities of his life, producing a contributing independent member to his world. "The adult must acquire the sensitivity to recognize all the child's needs; only thus can he give the child all the help that is necessary.

### **Practical Guide To Past Life**

Even though I am a scientific minded kind of person who rejects mysticism and pseudoscience I found this book (Practical guide to Past-life memories: twelve proven methods by Richard Webster) to be an interesting approach to reincarnation. The focus in this book is exploring your own past-life memories.

### **An Introduction to Practical Life - Montessori Guide**

Life story work is an attempt to give back this past to children separated from their birth families. It can help children to begin to accept their past and move forwards positively into the future, and give them a structured way of talking about themselves.
