A 'read' is counted each time someone views a publication summary (such as the title, abstract, and list of authors), clicks on a figure, or views or downloads the full-text.

Practical Ophthalmology: A Manual for Beginning Resi ...

Ophthalmology is so specialized that it essentially has its own language, which is not easy for health care workers outside of the specialty to understand. When I considered writing a book about ophthalmology, I first debated whether or not there was a need for another ophthalmology book, and concluded that one
