Language input can always be made more student-centred though. Basically, you present the target language, give students plenty of controlled practice, then the production stage is like a freer practice. It's explained very well by the British Council here so I'll leave it to the experts! Task-based approaches

Practicing The Language Stage 17 Answers | dev.horsensleksikon
Strategies in language learning, or the steps that one take to learn a language, is very important in ultimate language performance. It is defined as "specific actions, behaviors, steps, or techniques — such as seeking out conversation partners or giving oneself encouragement to tackle a difficult language task — used by students to enhance their own learning" (Scarcella & Oxford, 1992 ...
