Pragmatic Guide to JavaScript | The Pragmatic Bookshelf  
The Pragmatic Guide to JavaScript is a bit different. It's a lightweight guide (around 130 pages) for those of us who already know a programming language or two. Instead of covering boring stuff like variables and functions—let's face it, they're not all that different from language to language—it shows you some real-world use cases in convenient byte-size portions.

Pragmatic Guide to JavaScript | The Pragmatic Bookshelf  
It's a small book with less than 150 pages, so it is not a book for learning JavaScript. Don't pick this book as a beginner's guide
