And it is the Obama White House that has allowed financial criminals to continue to operate unchecked, even after supposed “ reforms ” installed after the collapse of 2008. Predator Nation reveals how once-revered figures like Alan Greenspan and Larry Summers became mere courtiers to the elite. Based on many newly released court filings, it details the extent of the crimes—there is no other word—committed in the frenzied chase for wealth that caused the financial crisis.

Predator Nation - chirpbooks.com

Predator Nation is a scathing indictment of modern capitalism and the political system that supports it. It basically describes how an elite social subgroup has taken control of business and politics to the point where it can pursue its own economic self-interest without regard for the welfare of society as a whole.
