I enjoy preparing students for exams - though I must say I find that it definitely works best in very small groups, or even better, in one-to-one lessons. And one thing that is also mentioned in this article several times - exam preparation classes are just that - preparation classes for exams, and NOT your usual conversation/general English class!

Prepare Your College Student for Tax Filing - Key.com

As you are planning for your lesson, think about what you need your students to know and what are they going to take away from your lesson. After you have figured this out, then you need to explain your objective to the students so they know why they need to learn what you are about to teach them. Try to offer real-word examples if you can. 2.

Preparing Students For Ket And The KET (Cambridge Key English Test) is the first level of the ESOL exams. It's equal to A2-level knowledge of English within the Common European Framework, and demonstrates an individual's ability to manoeuvre through some of the most common situations while speaking and understanding the English language. It's aimed primarily at students who have recently [...]

A2 Key for Schools preparation | Cambridge English

For example, OUP claims that students finishing Headway Elementary would be ready to take KET, presumably meaning that students finishing Headway Beginner (or the old Headstart) would not. Any other Elementary text would be okay, although ones published by British publishers such as Headway do seem to have sneakily had content connected to the exam such as street signs and some workbook
