The battle barge is the largest class of warship used by the Adeptus Astartes and most Space Marine Chapters control two or three of these potent vessels. The term "battle barge" does not refer to a single designation or class of warship as such, but rather is a title given to any variant or retrofit of battleship class hull modified and optimised for use by the ancient Legiones Astartes or ...

Primarchs Ferrus M

Some primarchs were always going to be trouble, and I think this was expected. Two sons had already been wiped from history, and some others were never going to fit into the nascent Imperium - Angron was used as a damaged tool because he fit his purpose for war and Crusade, but would never have had a role after.

The Horus Heresy - Wikipedia

My sons, the galaxy is burning. We all bear witness to a final truth -- our way is not the way of the Imperium. You have never stood in the Emperor's light. Never worn the Imperial eagle. And you never will. You shall stand in midnight clad, your claws forever red with the lifeblood of my father's failed empire, warring through the centuries as the talons of a murdered god. Rise, my sons, and ...
