Read Free Principles Of Economics 11th Edition

Principles of Microeconomics (11th Edition) is wonderfully written and edited, it has lots of current events used as examples, and tons of illustrations. It's a little weak on the math (which is a plus to many people), so it can't really be used as a reference later on, but it covers a lot of material in a very in-depth way in medium to short length chapters.

Quantity demanded is the amount (number of units) of a product that a household would buy in a given period if it could buy all it wanted at the current market price. Of course, the amount of a product that households finally purchase depends on the amount of product actually available in the market.
