Productivity Planner - Be More Productive - Intelligent Change

Productivity Planner combines the Ivy Lee Method (a proven process for achieving peak productivity) into a daily planner that combines distraction free time-management with completing a prioritized task list to make actual progress on your goals versus the endless busywork of emails, meetings, and distractions that often eat up your day and ...

Amazon.com : Productivity Planner - Daily Planner - Non ...

This planner is a good alternative to the Productivity Planner if you want a "100 day challenge" planner instead of a daily planner that you'll use forever. I like the Productivity Planner better because it's easier to use, takes less time to complete, lays flat, and is more

visually appealing.

About Alex & Mimi Ikonn — The Ikonns

The productivity planner is transforming how I plan and spend my days. It's so easy and enjoyable to use and I have already recommended it to all my friends and family. I love the feeling of being in control over my time, and that by the end of the day I feel I've been super productive, I've stayed focused and done the most important tasks first.
