Value pricing Ron Baker's pricing bible The Professional's Guide to Value Pricing (Aspen, 2004) is an absolute must to read if you are interested in learning more about the full range of pricing strategies - not just value pricing. Value pricing is, however, the leading alternative to time-based billing and is the focus of this article.

Moving to value pricing - Absolute Certainty

VALUE PRICING VS. VALUE BILLING. Value is defined in economic terms as: The maximum amount that a consumer would be willing to pay for an item. Therefore, value pricing can be defined as the maximum amount a given client is willing to pay for a particular service, before the work begins. This is not to suggest we can capture 100% of maximum value, but rather that we have the potential to access some of it with strategic pricing.
