TEXTLINKSDEPOT.COM PDF Ebook and Manual Reference

For project management to truly be a gift, we need to rethink how we speak about it, how we present it and how we practice it. We need to present to the world something that they want, that they will appreciate and that they will value. by Stephen Biddle, PMP December 18, 2019
by Lenka Pincot December 18, 2019

Project Management Training

Project Manager's Resource Planning is an essential project manager duty. Determining what needs to be done, who is going to do it, and when it needs to be done are all part of the planning process. Keep in mind that planning is an iterative process that takes place throughout the life of the project.

A/E/C Project Management Association

Project management, then, is the application of knowledge, skills, tools, and techniques to project activities to meet the project requirements. It has always been practiced informally, but began to emerge as a distinct profession in the mid-20th century.
