"Psion Gamma" is a better book than it's predecessor in every single way. Gowans carries two parallel plot lines fairly well and finally develops some of the old supporting characters along side a few new ones, much to my delight. Folks, this book is where the series gets *dark*.

Psion Delta (Psion, #3) by Jacob Gowans - Goodreads
Psion Delta is the third installment of the Psion series in which a group of young people find themselves with abilities and a mission. I strongly recommend reading the first two books before reading Delta, not only to help understand the lore and circumstances in this book, but

Psion Delta (Psion series #3): Amazon.co.uk: Jacob Gowans ...

The Psion series from Jacob Gowans is great, and I can't wait for the fifth book. It was recommended by amazon after reading Maze Runner along with The Paladin Prophecy and Legend, and none of the books have disappointed. I would probably rank it the Psion series above all the others mentioned.

Jacob Gowans has definitely earned five stars with Psion Delta. As with the first two books of this series, Psion Delta is not for really young readers. It's a very real and honest depiction of what war is like. As with any war, people you care about get hurt and killed.
