This article deals with Kelsen's Pure Theory of Law & HLA Hart's Theory. Kelsen distinguished between legal science and natural science on the basis of "oughts". H.L.A. Hart is generally regarded as the face of British Positivism.

Pure Theory of Law - FastForward Justice
He insisted that a theory of law must be free from ethics, politics, sociology, history, etc. Though their value is not denied, but Kelsen insisted that a theory of law must not have such considerations. There must be a pure theory of law. It is for this reason that Kelsen refused to define law as a command of sovereign, as Austin stated, because that introduces subjective & political considerations.

Explain Kelson's Pure Theory of Law | Infipark.com
Pure theory of law. In pure theory of law, there is no difference between natural person and juristic person. According to this theory, 'personality' means an entity capable of bearing rights and duties. All legal personalities are artificial and derive its validity from superior norms.
