Qualitative Research: A Guide to Design and Implementation ...

about qualitative research. There are several key strengths of this work that, taken together, separate it from other texts on qualitative design and implementation. The text is extremely well organized, easy to read, and systematically laid out for those new to qualitative research, although more experienced researchers will also find it helpful.

Editions of Qualitative Research: A Guide to Design and ...

As a doctoral research student pursuing a qualitative research methodology, neither the phenomenological nor narrative designs fit my research question. Instead, Merriam & Tisdale (2016) share that this happens frequently and there's a sixth qualitative design that covers this gap, the Basic Qualitative Research Design.
