Get sheet music to songs you like. A visit to your local library or music store will uncover hundreds of "lead sheets" with the basic notation and chords for your favorite songs. Read the music while you listen, and you'll get a more intuitive understanding of what you're looking at.

Question And Answer Lead Sheet
The question-answer relationship (QAR) strategy helps students understand the different types of questions. By learning that the answers to some questions are "Right There" in the text, that some answers require a reader to "Think and Search," and that some answers can only be answered "On My Own," students recognize that they must first consider the question before developing an answer.
