### Modern Law Practice Management Software | PracticePanther

At Uptime Legal we've worked with hundreds of law firms and thousands of legal professionals. One thing we've frequently seen firms struggle with, as their firm grows, is: internal documentation – internal policy and procedure. It's challenging to create internal firm documentation to begin with, and more so to maintain that documentation as your firm scales.

### QuickBooks Time Tracking For Employees | TSheets

The best small business accounting software for law firms makes it easy to manage general accounting, handle trust (IOLTA) accounting, track billable hours and manage client billing. We evaluated each product based on the ability to perform these functions plus cost and ease of use. We started with eight products and narrowed it down to...
