A thorough primer on the fundamental skills and techniques of quilting presents detailed, step-by-step instructions and photographs that take novice quilters through the process of designing a quilt

### Intro to Quilting 101 | Diary of a Quilter - a quilt blog

The best set-up for quilting is putting your sewing machine at the very edge of a table so the quilt has somewhere to go as you sew it. The quilt that hasn't been through the machine yet will rest on your lap. Try your hardest to not let the quilt hang from the table - this can cause uneven stitches and make your sewing machine work much harder.
