Race, Culture, and Identities in Second Language Education [Ryuko Kubota, Angel M. Y. Lin] on Amazon.com. *FREE* shipping on qualifying offers. The concept and construct of race is often implicitly yet profoundly connected to issues of culture and identity. Meeting an urgent need for empirical and conceptual research that specifically explores critical issues of race**

What Is the Relationship Between Education and Culture ...

The term culture can be problematic because it can mean different things to different people in different contexts. For instance, culture is sometimes used as if it pertained only to those with formal education and privileged social status, implying activities such as attending the opera once a month.

have long emphasized cultural approaches and ignored how racism affects achievement.

Addressing Race, Culture, and Structural Inequality in ...

If “race is a fundamental component of personal identity and perception,” then race-based coalitions seem essential for meaningful education reform in cities, and racial cleavages should be a central concern of reformers.

ERIC - Search Results

Other variables that play a role in ethnicity, though not in all cases, include a geographical connection to a particular place, common foods and diets, and perhaps a common faith. Race is a word with similar meaning though describing more physical traits, as opposed to the cultural traits of ethnicity.
