Radical, Religious, and Violent | The MIT Press

Religious violence is a term that covers phenomena where religion is either the subject or the object of violent behavior. Religious violence is violence that is motivated by, or in reaction to, religious precepts, texts, or doctrines of a target or attacker. It includes violence against religious institutions, people, objects, or events.

Religious violence - Wikipedia

Feminist Theory and Domestic Violence. Proponents of feminist theory acknowledge that women can also be violent in their relationships with men; however, they simply do not see the issue of women abusing men as a serious social problem, and therefore, does not deserve the same amount of attention or support as violence against women (Kurz, 1997).

Radical Religion and Violence: Theory and Case Studies ...

Jeffrey Kaplan has been one of the most influential scholars of new religious movements, extremism and terrorism. His pioneering use of interpretive fieldwork among radical and violent subcultures opened up new fields of scholarship and vastly increased our understanding of the beliefs and activities of extremists.

Political Violence and the Radical Right - Oxford Handbooks

According to Eli Berman, author of Radical Religious and Violent: The New Economics of Terrorism, violent radical religious organizations thrive by taking advantage of the absence of the State. By providing communities with important benefits in exchange for their loyalty, and at times their involvement, they are able to develop into highly efficient terrorist organizations.

Theories used to explain male violence against women ...

Radical feminism. Radical feminism is a perspective within feminism that calls for a radical reordering of society in which male supremacy is eliminated in all social and economic contexts. Radical feminists view society as fundamentally a patriarchy in which men dominate and oppress women.

Explaining Domestic Violence using Feminist Theory ...

Theories used to explain male violence against women partners and ex-partners. Theories are important, not only because they offer different explanations for the phenomenon of domestic abuse, but because each approach has clear implications for responses and interventions by practitioners and policy-makers. If there is no

Religion & Violence // A Moment Symposium

Behind the common question lies a morass of unclear thinking. William T. Cavanaugh Everyone knows that religion has a dangerous tendency to promote violence. This story is part of the conventional wisdom of Western societies, and it underlies many of our institutions and policies, from limits on the public role of religion to efforts to promote democracy in the Middle East.

The Solutions to Religious Violence and Fundamentalism ...

Yet once they turned to violence, they became horribly potent, executing campaigns of terrorism deadlier than those of their secular rivals. In *Radical, Religious, and Violent*, Eli Berman approaches the question using the economics of organizations. He first dispels some myths: radical religious terrorists are not generally motivated by the promise of rewards in the afterlife (including the infamous seventy-two virgins) or even by religious ideas in general.
