In the 9th century, the last great Viking army attacked Britain, subduing kingdoms quickly with brutal force until only one kingdom remained. The unlikely inheritor of that throne, the fifth son who had planned a life in the church, becomes the only man standing between the Viking raiders and the completion of their conquest.

Ragnar, the second book in the Mists of Albion series, may be the best time travel romance I have ever read. It absolutely is the best Viking historical romance I've ever read. I was able to read Eirik, which was the first in the series, so I had no difficulty getting into the story, but I think there's enough backstory given that it isn't essential to do so.
