Children in Chad build a schoolhouse that washes away during the rainy season after the end of each school year. James Rumford, who lived in Chad as a Peace Corps volunteer, fills these pages with the vibrant colors of Africa and the spare words of a poet to show how important learning is in a country where only a few children are able to go to school.

An audio book of Rain School by James Rumford

• Distribute Rain School: Questions from the Text and sticky notes and allow students to begin working independently. As students begin to work, remind them that they should read the questions first, and then jot evidence when they think they have found answers. They are not actually writing answers yet. Circulate and assist students as needed. • After students have worked for about 10 ...
