Anticipation/Reaction Guide - ALL-ED

Reactions are a selection of expressions available in New Horizons, obtained by speaking to residents of the player's island. After a few days on the island, a resident will teach the player 4 initial reactions, while the remaining 40 are taught randomly on subsequent days. Only one reaction may be learned per day, with the reaction taught being based on the personality of the resident that ...

Reactions | Discord.js Guide

Iodine clock reactions. There are several reactions which go under the name "iodine clock". They are all reactions which give iodine as one of the products. This is the simplest of them, but only because it involves the most familiar reagents. The reaction we are looking at is the oxidation of iodide ions by hydrogen peroxide under acidic ...
