Real Sofistikashun: Essays on Poetry and Craft

The essays of Real Sofistikashun—and they are essays, not grab bags of pensées—proceed from "a love for the sinuous human voice, for elaborate sentences, and for a certain brashness of imagination." With clarity and without simplification, with orientation and without territoriality, they register developments in American poetry of the last generation or so, remarking on craft and examining poems through the lenses of familiar elements and devices (like metaphor, fragment, and image).
