### **the relationship between emotion and reason**

Reason and emotion are very closely related. In a lot of cases we need an objective opinion that is not affected by emotions. However, it is sometimes hard to find it, and when we find it, it is usually an opinion of someone else who doesn't know you at all. For example, there is a boy in your school you have class with.

### **Reason and Emotion - Wikipedia**

Reason and Emotion is a 1943 World War II cartoon. It focuses on Reason and Emotion, two abilities in one's mind, respectively depicted as a university professor and a caveman (or in the mind of a female, Emotion is depicted as a girl in an immodest pink dress and red high heels).

### **Reason and Emotion by John Macmurray - Goodreads**

Reason and emotion are often supposed to be at odds with each other. From one perspective, our emotions are like unruly toddlers, demanding and whimsical, that need to be held in check by the adult intellect. From another perspective, the rational mind is cold and calculating and needs the warmth of the passions to grasp what really matters.

Plato described emotion and reason as two horses pulling us in opposite directions. Modern dual-systems models of judgment and decision-making are Platonic in the sense that they endorse the...

### **Reason and Emotion | Disney Wiki | Fandom**

Reason tells Emotion to "retain respect for womanhood." The man listens to Emotion and the consequence is a slap in the face. The woman's version of Reason and Emotion are both females. Emotion wants some

high-calorie foods whereas Reason settles for something light like tea and toast. The result for listening to Emotion is a large figure.

### **Reason vs. Emotion - Robert Solley - Medium**

Reason and Emotion in Ancient Sources While the current, and in our view the most plausible, account of emotions construes the emotions in terms of cognitive judgments (anger cannot successfully be analyzed only in terms of physiological sensations, for the sensations may be present without anger), the emotions are often considered quite different from reason in Ancient Greece.

### **What is the relationship between reason and emotion ...**

Reason and Emotion is a 1943 animated short film (8 minutes) directed by Bill Roberts. The plot involves how humans are governed by reason and emotion, two emotions which are personified by two people living in the head of the unnamed male protagonist. As a baby, Emotion, personified as a caveman with a club, is the only person inside the man's head.

### **Emotions and Reason | A Guide to Ethics**

'High reason' decision-making Of course, Damasio does not say that all decisions are made as a result of our emotions taking over. 'High reason' is the term he uses for choices that are made on the basis of weighing up logical considerations, without allowing emotion to interfere with the process.
