Reconstructing Spain · MTR – MODERNTIMES.review

His monograph Reconstruction: America's Unfinished Revolution, 1863-1877 (1988) focusing on the situation in the South, covers 1863 to 1865. While 1877 is the usual date given for the end of Reconstruction, some historians such as Orville Vernon Burton extend the era to the 1890s to include the imposition of segregation.

Ashes and Granite. Destruction and Reconstruction in the ...

Spain's lack of military resources, as well as its unfinished naval reconstruction, also put its security in the hands of the Entente, with which it had signed the Cartagena Agreements (Declaraciones or Acuerdos de Cartagena) in 1907. These agreements derived from an exchange of diplomatic notes by Spain with Great Britain and France, in which all parties agreed to maintain the territorial status quo of their respective Mediterranean and Atlantic possessions.

Reconstructing Spain: Cultural Heritage and Memory After ...

Reconstructing Spain is an excellent book, strongly recommended to those with a general or scholarly interest or anyone wanting to know more about the role of heritage as a propaganda tool, and the risks in reconstructing heritage in postconflict situations. The book offers a fascinating insight into a less reported aspect of the Franco regime.

Reconstructing Judaism | Home

From an outsider's vantage point, the film takes a serious stab at Spain's political culture which evolved since democracy was introduced post Franco's death. When reforming Spain, its past grandeur must be the guiding star when defining its future. Spain has been through an extremely painful economic recession. A modern time depression.

Reconstructing Spain : cultural heritage and memory after ...

Reconstructing Judaism is the central organization of the Reconstructionist movement. We train the next generation of rabbis, support and uplift congregations and havurot, foster emerging expressions of Jewish life, and encourage people to be their best selves – always helping to shape what it means to be Jewish today and to imagine the Jewish future.

Reconstructing Spain: cultural heritage and memory after ...

The reconstruction of the town of Gernika is a particularly emblematic instance of destruction and a significant symbol within the Basque regions of Spain as well as internationally. By examining Gernika it is possible to identify some of the trends common to the reconstruction as a whole along with those aspects that pertain to its singular symbolic resonance.

Reconstructing Spain

Evidently, the reconstruction in Spain ran in parallel with the building of the totalitarian State of Francisco Franco (1939-1975). The catholic-fascist regime of Franco aimed at developing a new image of Spain based on a clear set of ideological references that pervaded the whole reconstruction process.
