Embracing a culture of lifelong learning | UIL

From adult learner to lifelong learner. The political interpretation of a lifelong learner may be as an active member of the 'learning society': a society 'in which everyone recognises the need to continue in education and training throughout working life' (NCIHE 1997). This is too readily translated into the meaning of lifelong learning.

Lifelong Education - an overview | ScienceDirect Topics

The Delors Report proposed an integrated vision of education based on two key paradigms: lifelong learning and the four pillars of learning. The report proposed a holistic conceptual framework of learning, that of the 'four pillars of learning'. It argued that formal education tends to emphasize the acquisition of knowledge to the detriment of other types of learning essential to sustaining ...
