Product Introduction - Red Digital Cinema RED has apparently been blowing minds with the revolutionary technology inside its upcoming Hydrogen One. Like the Razer Phone in late 2017, most of the cool tech lives inside its screen – which, also like the Razer Phone, is unlike any other on the market today. RED, too, is poised to make some major waves in the coming months, as its phone should be arriving in stores this summer.

## RED Digital Cinema | DSMC2

Red Digital Cinema was founded by Jim Jannard, who had previously founded Oakley. As a self-described "camera fanatic" owning over 1,000 models, Jannard started the company with the intent to deliver an (relatively) affordable 4K digital cinema camera. Jannard dates this idea to a time when he bought a Sony HDR-FX1 video camera and learned that the files had to be converted with software from ...
