Linux Tutorial for Beginners: Learn Red Hat Linux and CentOS Free in English HD 1080p

Access Free Redhat And Centos 7 Precise

CentOS (/ ? s ? n t ? s /, from Community Enterprise Operating System) is a Linux distribution that provides a free, community-supported computing platform functionally compatible with its upstream source, Red Hat Enterprise Linux (RHEL). In January 2014, CentOS announced the official joining with Red Hat while staying independent from RHEL, under a new CentOS governing board.
