Reeve I had long since given up hope of the pursuit of genuine happiness. It wasn't possible after all the sh\*t I had been through. I had my siblings, my club, a purpose in life.

Reeve (Henchmen MC, book 11) by Jessica Gadziala

This is a refreshing take on a Henchmen because Rey takes on the role of the more well-adjusted person in the budding relationship...the heroine who uses her optimism and soft touch to help get rid of Reeve's sadness and guilt-ridden life. One thing I truly enjoyed in this book is Reeve's not the typical Alpha we often enjoy reading.

**You don't need some book telling you how to act. And while I agreed that it was kind of silly to say you should never ask "Is your brother well?" But instead say "I hope your brother is well" because, apparently, it was a faux pas to question someone in public, I did sort of like some of the ones about gallantry, even if I was a self-sufficient ...**

**The Henchmen MC - Book Series In Order**

**Reeve had to put to rest some major demons that had been haunting him for years. And they were some heavy buggers – made your heart ache for him.. Rey was hoot – her love for animals rivals the authors I think. Makes it feel so much more personal when the author puts a bit of herself in the book. Rey was the perfect calm to Reeve's storm.**
