Reflective Classroom Practice For Effective

Practice A: Magenta light is a mixture of red light and blue light in equal intensities. Blue light must be subtracted since it is absorbed. When subtracting blue light from red and blue light, the red remains. The shirt appears red.  $(R + B) - B = R$ . Practice B: Red light is a primary color. Blue light would have to be subtracted if present. Since it is not present, there is no need to worry ...

essay

Effective SEL teachers provide students with generic tools (as identified in Chapter 3 ) that can help them maintain healthy relationships and make wise choices. Using this framework, the framework is then applied to the specific developmental issues of concern in a particular classroom, school, or
