Rethinking The Politics Of Labour In Canada

Rethinking the American Labor Movement tells the story of the various groups and incidents that make up what we think of as the "labor movement." While the efforts of the American labor force towards greater wealth parity have been rife with contention, the struggle has embraced a broad vision of a more equitable distribution of the nation's wealth and a desire for workers to have greater ...

Rethinking Global Labour: A Debate - Progress in Political ...

Rethinking Labour was founded by professors Stephanie Ross and Larry Savage in 2012 to communicate with the public about their research on workers, their unions and political strategies. In this era of growing economic inequality and threats to democracy, Ross and Savage seek to contribute to public debates about the role of the labour movement in improving workers' lives and fostering ...

I would like to thank Andreas Bieler for his interesting and engaged review of my recent book Rethinking Global Labour, optimistically titled After Neoliberalism and Adam David Morton for hosting it on his excellent cutting-edge site. After explaining what the book is about Bieler makes two critiques that I think are worth pursuing as I think they go to the heart of what a Marxist reading of ...

Understanding how and why workers were able to exert collective power in the postwar era, how they lost it and how they might re-establish it is the central concern of Rethinking the Politics of Labour in Canada.

Rethinking the politics of labour in Canada (Book, 2012 ...

In Rethinking Global Labour (Agenda Publishing, 2018), Ronaldo Munck has produced an important contribution to ongoing analyses of the potential role of global labour in shaping the global political economy and resisting capitalist exploitation. In this review, while appreciating Munck's empirical insights, I will nonetheless be rather critical of the underlying conceptual assumptions, which ...
