### **Return of Dr Irresistible (Large print book, 2015 ...**

Return of Dr. Irresistible is a medical romance by Amalie Berlin. I didn't find this book as engaging as the others in this series have been. The characters are believable and the plot is reliable; but some zing is just missing for me. It wasn't a bad book, it just wasn't tremendous. Others might like it more than I did. I am not into the circus.

### **Return of Dr. Irresistible by Amalie Berlin**

Return of Dr. Irresistible by Amalie Berlin is a well written medical romance about second chance love. The most unusual and striking part of the story was the circus. Yep, you heard me right, there was an actual circus in the story and it is a very important part of the story.

### **Falling For Dr Dimitriou: Falling For Dr Dimitriou ...**

"Dr. Irresistible" contains all the hallmarks of a Bevarly novel, including her trademark stream-of-consciousness writing style and crisp, humorous dialogue. The characters are initially difficult to like. Seth seems arrogant and full of himself, while Pru seems to lack self-confidence.
