This account of the English Reformation as a combination of religious change imposed "from above" and enthusiastic popular acceptance of Protestantism by the death of Edward VI in 1558 was accepted as the definitive interpretation of the subject by a generation of readers.

English Reformation and Revolution Flashcards | Quizlet

The English Reformation was a series of events in 16th-century England by which the Church of England broke away from the authority of the Pope and the Roman Catholic Church. These events were, in part, associated with the wider European Protestant Reformation, a religious and political movement that affected the practice of Christianity across western and central Europe. Causes included the decline of feudalism and the rise of nationalism, the rise of the common law, the invention of the printi

BBC - History - The English Reformation

Protestantism - Protestantism - The Reformation in England and Scotland: In the meantime the Reformation had taken hold in England. The beginning there was political rather than religious, a quarrel between the king and the pope of the sort that had occurred in the Middle Ages without resulting in a permanent schism and might not have in this instance save for the overall European situation.
