### Joseph Ellis

Revolutionary Summer is a vividly engaging study of strategy. The telling of the story of the “birth of American independence” gives voice to the observation that few entrepreneurial adventures of consequence would ever been undertaken had those pursuing them truly appreciated the hardship, risk and adversity that must be overcome to achieve success.

Revolutionary Summer The Birth of American Independence By: Joseph J. Ellis

### Revolutionary Summer: The Birth of American Independence ...

In Revolutionary Summer, the eminent historian Joseph Ellis describes the events surrounding the birth of America during the summer of 1776 (loosely defined as May through October of that year). Ellis's stated aim is to treat the military and political events of the period in tandem, and he skillfully establishes that there were two different sets of goals at stake: George Washington’s Continental Army considered independence an inevitability, while the Continental Congress considered it a ...
