Richard Clayderman - Seasons Have most Clayderman CDS and obviously like the style and quality of the music - piano with instrumental accompaniment. I just keep the volume low and let these play in the background, both at home and in the car.

I've been a Richard Clayderman fan for about 30 years. He and Beegie Adair are my all-time favorite pianists and no others come close. This "Ultimate Collection", however, leaves a lot to be desired in terms of sound quality and orchestration and neither are anywhere near what I've come to expect from Clayderman.
