#### **Rome: Back-Street Riches**

**Hello, I'm planning for short break to Rome and Venice next April and have read some guide books from the library (pretty much outdated, though!). I'm thinking of buying a copy of Rick Steves book for the trip. Is it better to buy Rick Steves Rome and Venice separately or get his Italy book?. Of course cost-wise it'd be better if I get just one book and it'd also come in useful for future trips.**
