Basically, in Rift, the "grind" from 50 is  
really preparations for playing at 60. Every  
grind you avoid now through some "get levels  
quick" scheme will bite you in the ass if you  
hang around. Because you might need that rep,

I think anybody that have played Rift and done the level 50 to 60 can agree that it is far to long and almost forced to do either IA, PvP or dungeons or you won't get enough exp. compared to zone progression. What I fear is that Trion world isn't going to change this, and with the F2P coming up I fear that a lot of people will hit this wall and just give up after spending 20 hours and
